WHY THE TIGER

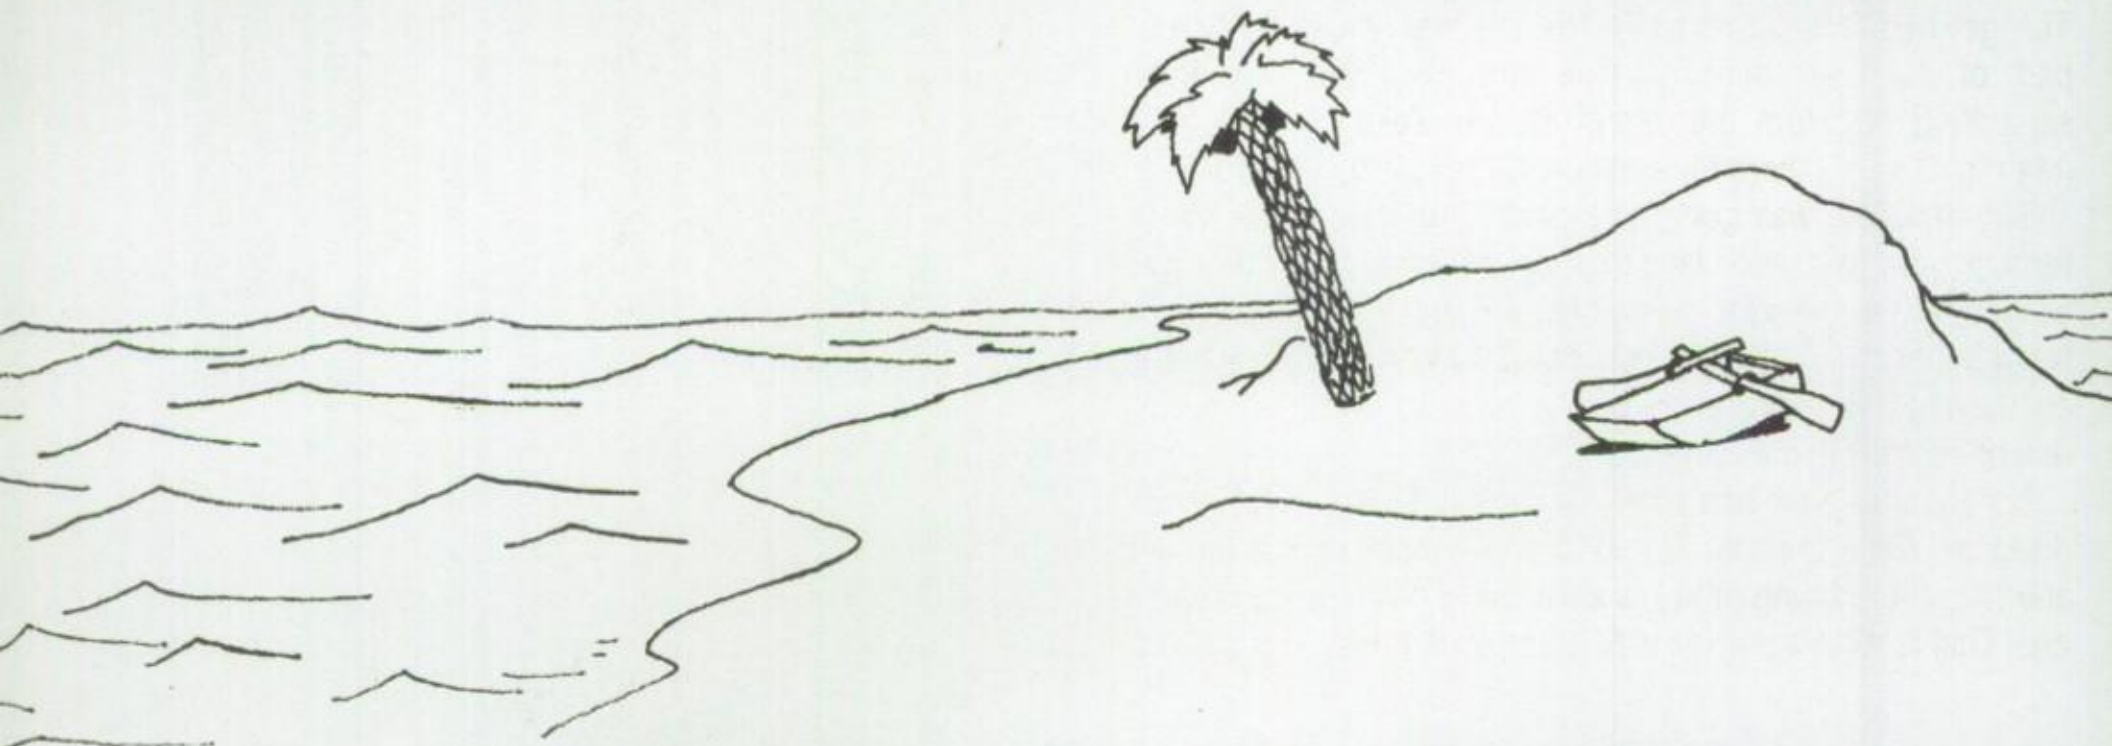

THIS STORY HAS BEEN TOLD MANY TIMES WITH MANY DIFFERENT VERSIONS, BUT FINALLY THERE IS A REAL VERSION.

After years of rumors and myths, we've finally gotten the facts. We will no longer have to wonder how he got here, or why he came to Tuttle. This is the story about why the Tiger came to Tuttle, and it goes just like this:

Many years ago there was a tiger named Zeke, who was very bored with his life. He wanted some excitement. He was tired of running around the jungle — acting like he owned it, and bullying the other animals around. Sure, it was fun, but after a while he got tired of it.

One day Zeke was roaming an area he had never explored. It looked so different. He saw a cave and went in to inspect it. Inside, he found a boat. Then, all of a sudden, he had a brilliant idea. He looked around and when he didn't see anybody, he knew this was his chance to find out what the rest of the world was like. Five minutes later, Zeke was off, sailing in the ocean.

For days he saw nothing except water. Then one morning he was awakened when something hit the boat. He was on a beach. Somewhat frightened, he got out of the boat and started looking around. He traveled north for three or four days. He was hungry, tired, and frustrated because he didn't know where he was, and he didn't have any friends.

CAME TO TUTTLE F

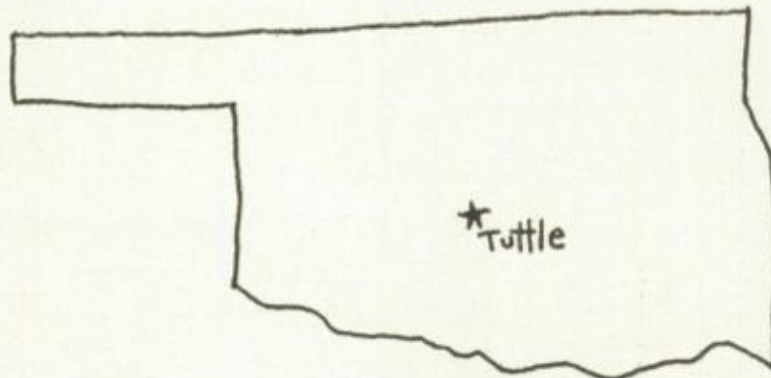

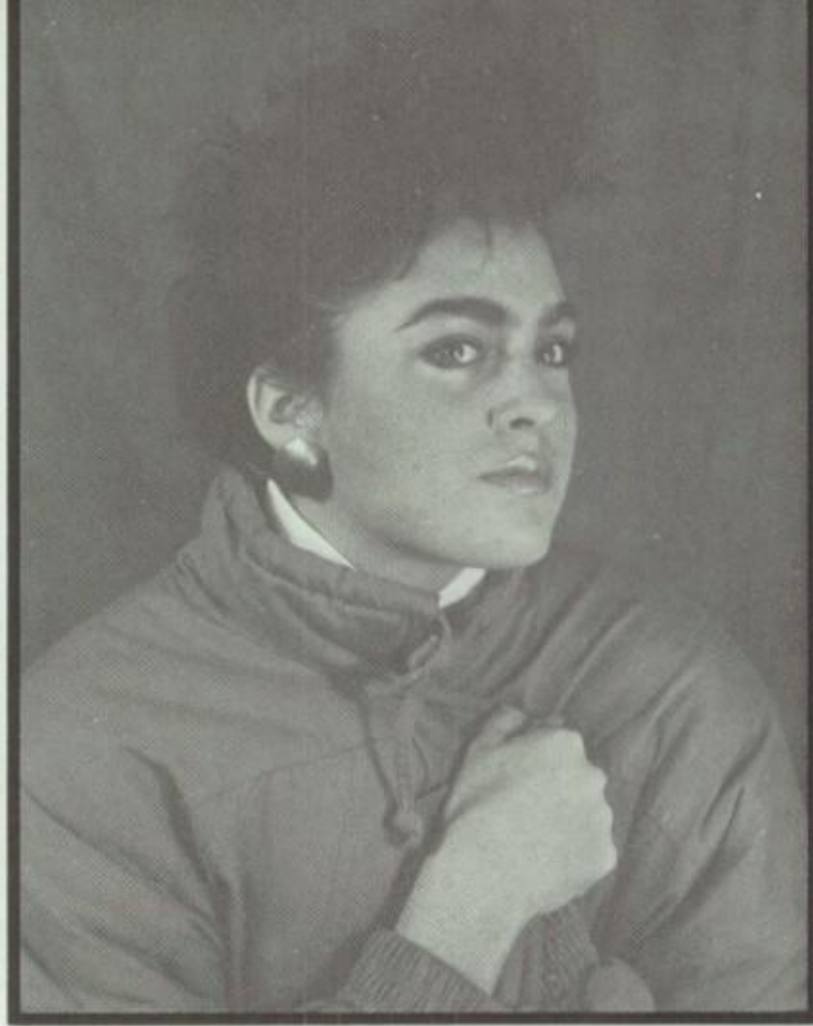

He was thinking that he should have never left the jungle when he came upon a small town called Tuttle. He thought he would give this territory one more chance before going back to the jungle. Before he knew it, he was meeting and talking to people he had never seen before. Everyone was so nice and caring. The next thing he knew he was asked to have dinner in one family's home. He spent the night there and the next day he met more people. Within a week he knew just about everyone in Tuttle, and really liked it.

Later, as Zeke was exploring some of the land way out in the country by the river, he heard a little girl scream. He ran toward the river and spotted a small child. Right after he got there, the girl's parents arrived. No one knew what to do. The girl had fallen down into the deepest, most dangerous part of the river bank. A tree limb was the only thing separating her from the raging waters. Zeke and the girl's parents all stood there for a minute not knowing what to do.

The tree limb was going to break any minute. Zeke leaped through the air and landed right beside the little girl. Somehow he managed to get her to hold on to him as he brought her to safety on a rock, but Zeke was unable to get up on the rock. The girl cried out to him, as he began rolling downstream with the current.

No one ever saw him again. Some say he survived; others disagree. Nevertheless, this is a story about caring for one another, about being proud, a hero, and striving to be number one. That is what being a Tuttle Tiger is all about.

Students "Model" " *their way to* *success*

While not involved in school activities, several Tuttle students spend their spare time by serving on local shopping mall's fashion boards, modeling at fashion shows, doing runway modeling, and mannequin modeling. These include: Tricia Patterson (upper left), Maggie Yancy (upper right), Anngie Farley (right), Tami Rogers (far right), Tina Cline (bottom left), and Shelly Williams (bottom right).

Merce Mato and Jenny Emme

Exchange Students Enjoy Oklahoma

Jenny Emme is from Jokoping, Sweden. She is staying with Mr. and Mrs. Danny Robinett. Jenny came to the U.S. because it has always been her dream. She loves to travel; while she has been here she has traveled to New York, Washington D.C., Virginia, and Lake Texhoma. She didn't miss a Tuttle football game all year; she also attended a football game at the University of Oklahoma.

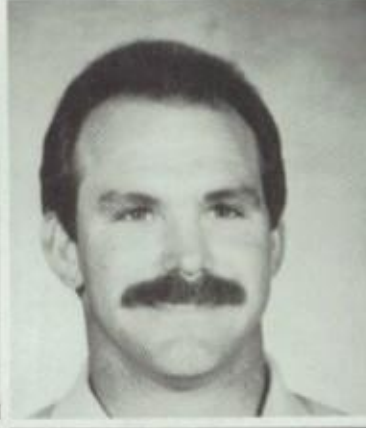

Jenny has a very high grade point average. She is fluent in Swedish, German, and English, and she's learning French. She plans to go back home after graduation and finish college.

Merce Mato is from Catalunya, Spain. She is staying with Mr. and Mrs. Brasel. She came to the U.S. for the good experience, to learn English, and to acquire our customs and culture. When she has time, she enjoys windsurfing and drawing. She hopes to someday become a graphic designer.

MRS. MARLOW

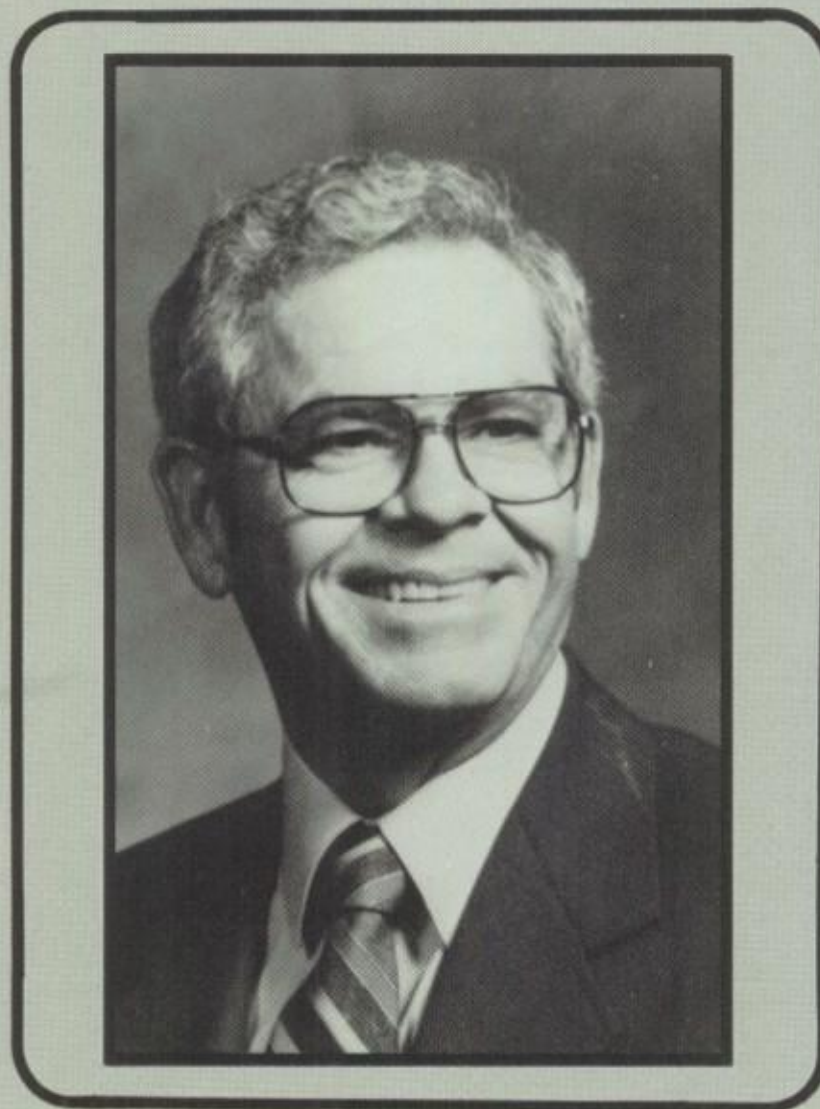

Elwina Marlow was on staff in the Tuttle Schools for twenty-five years. She taught 6th grade for 14 of those years and then served for 11 years as Lower Elementary School Principal.

As a teacher, Elwina was respected by her peers for her skills in dealing with her students. Her sense of humor and positive attitude made her a favorite with her sixth graders and her fellow teachers.

As a principal, Elwina stressed the importances of continuity between grade levels and of fostering good attitudes toward learning. She encouraged professionalism among her staff members and rapport between the home and the school. She created a teaching environment that allowed teachers the freedom to be creative and innovative.

Elwina retired at the end of the 1986-87 school year. Her dedication and service to students, parents and staff will be remembered always.

MR. MITCHELL

Bob Mitchell began teaching at Tuttle in 1976. During his 10½ years as an educator at Tuttle, he was high school counselor, basketball coach, athletic director, and high school principal. Prior to his employment at Tuttle, Mr. Mitchell taught a total of 10 years at Comanche, Southeast High School and U.S. Grant High School.

For the past 6 years, Mr. Mitchell was the much-loved vice-principal at Tuttle High School. Students felt very comfortable with Mr. Mitchell because they always knew he would listen to both sides of a problem. They liked him because he was dependable, always in a good mood, and never missed a school activity. Mr. Mitchell was an educator who went out of his way to give special attention to people who really needed help.

Bob Mitchell retired during the 1986-87 school year, due to health problems. He had completed 23½ years of dedicated service to education. His concern for others and service to Tuttle High School students will be long remembered.

In the beginning, God created . . .

New coach, new squad, new season, but the same ole game. Our new season started with a new man at the helm, Coach Gary Brown, center, and assisted by Coaches Tony Gray, left, and Steve Denton, right. Their wish and our demand was to have a successful season.

Out With the Old, In With the New

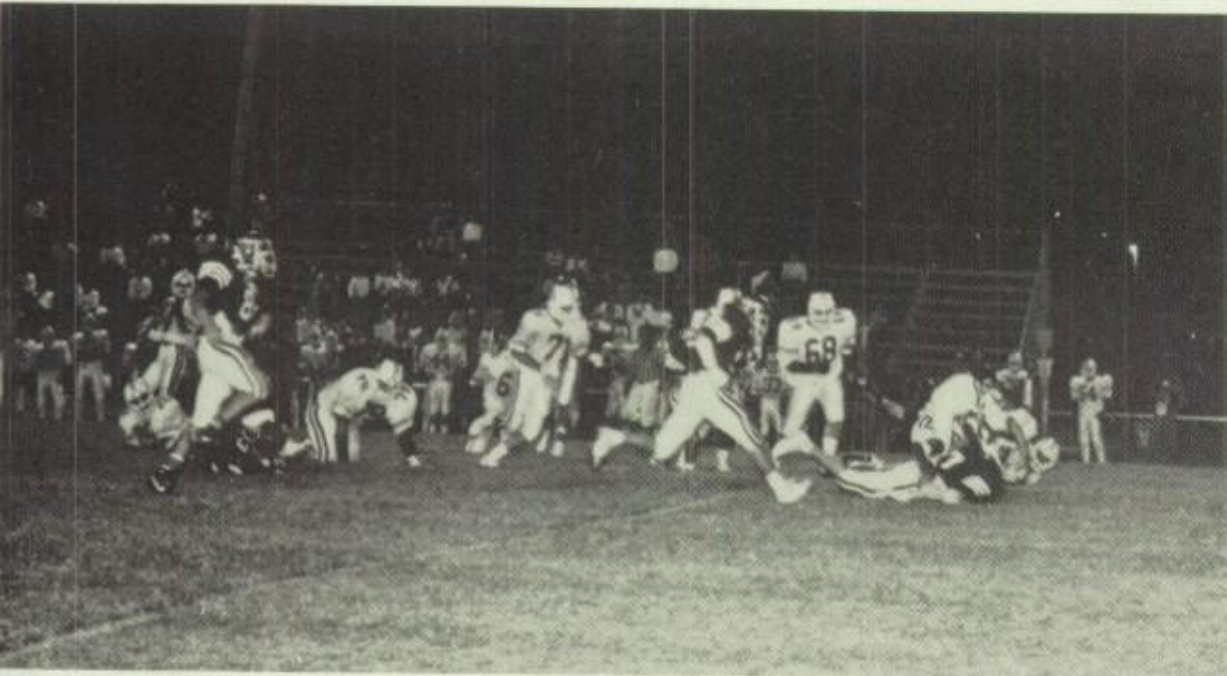

At the onset of each football season, the Tigers made plans to accomplish feats of glory for Tuttle High School. They knew they would face some excellent teams and our coaches' strategy would be tested; but this year would be

different. They would try to go their best and stand the test of being a winner.

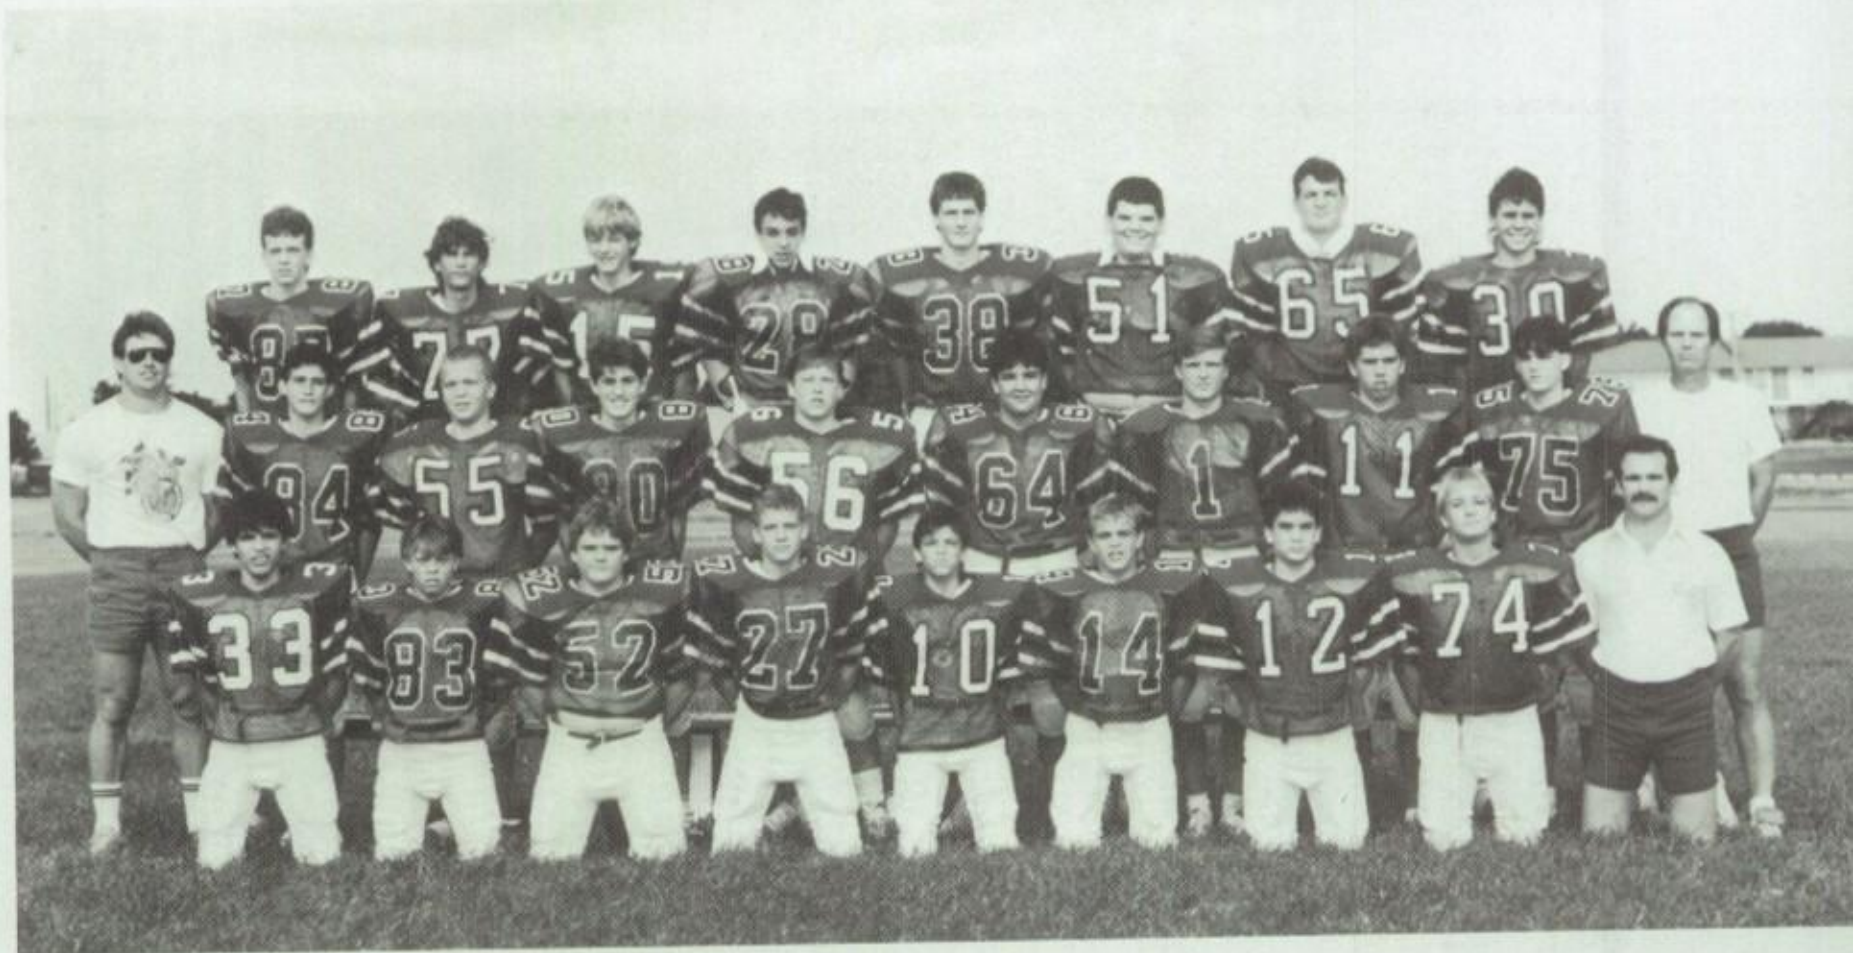

The coaches had worked the team long and hard, and the season proved to be better than expected. This year we tromped through the season and into

the state play-off games. Before retiring our pads, our regular season record was 5-5 and the play-off record was 2-1.

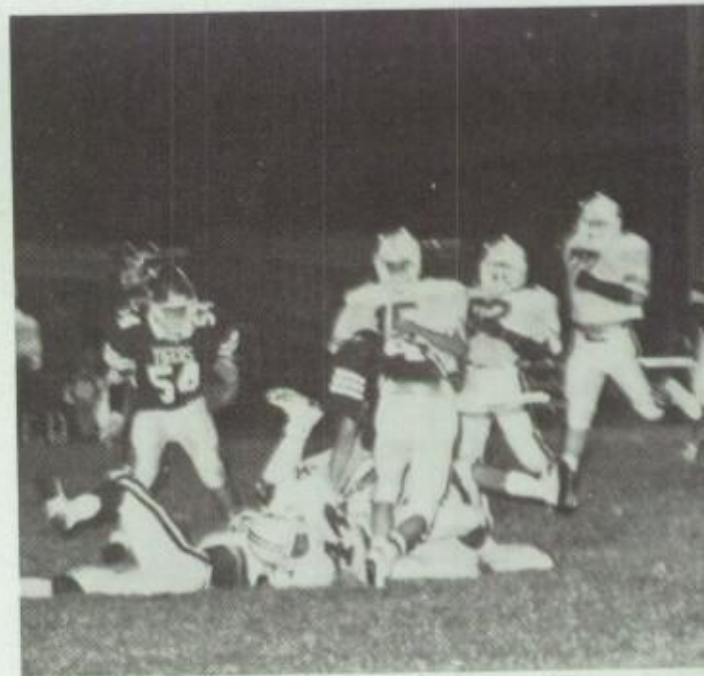

As we look back on the 1987/88 football season, we can be proud!

THS Yes We Are The Best!!!

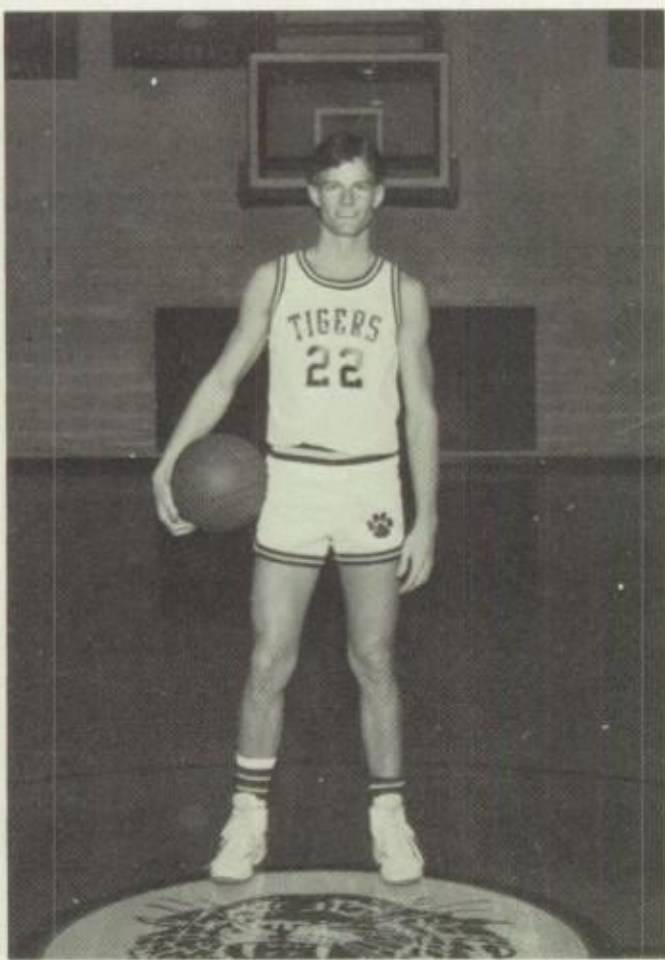

The Tuttle High School Cheerleaders had a pretty successful year. They worked very hard in the summer. They practiced anywhere from 2 to 4 hours a day, until they went to camp. It was a very hot and exciting week at camp. The girls did very well. All four nights they received a superior ribbon, and on the last day they were selected as one of the top eleven squads to compete for the Award of Excellence. They also brought home the NCA Spirit Stick Award. These dedicated girls didn't just stop at summer camp. They attended 2 fall clinics, and competition at the Oklahoma State Fair where they won second place.

Little All-City Team

Softball: A Sport for "Real Women"

Front Row: Trina Garrett, Emily Edwards, Laura Edwards, Shelley Hall, Wendy Akers, Krystal Copeland, Lynda Thomas, Staci McPhearson, Jennifer Ke
Back Row: Dena Blakely, Shelly Turner, Lara Hughes, Kim Chancellor, Cassandra Mizirl, Coach Bates, Trina Butts, Tommi Jo Meyers, Tracy Harryman, Killian, Leslie Hudson.

The 1987-88 Seniors would like to recognize Coach Bates for his last three years of hard work, dedication, and patience. He brought this group of girls from a 2-19 record as freshmen to the state semi-finals as seniors. He has given them a lot to be proud of, and they will always appreciate his effort and leadership.

The Lady Tigers had an outstanding season. They had several members on All-Tournament Teams, All-Conference members, and several other accomplishments, not to mention being led by Coach of the Year, Mr. Bates. The team played very well together and earned such goals as Sooner Conference Champs, Region 3 Champs, Sooner Conference Tournament Champs, and participated in the state semi-finals. Of course, next year's goal is to win it all, so *Good Luck* 1988-89 Lady Tigers!
